

# **HEBREWS 2:5-18**

## **SERMON HANDOUT**

### **POINT #1—HEBREWS 2:5-8**

*Humanity is headed for a restoration to exalted glory and honour...*

### **POINT #2—HEBREWS 2:9**

*...and Jesus, the exalted Son of Man, is already there having tasted death for us...*

### **POINT #3—HEBREWS 2:10-18**

*...and he brings us to join him since he gladly took on our humanity to destroy death for us and make atonement for our sin.*

### **IMPACT**

Christians suffering for Jesus are encouraged to keep going for him since he took on humanity to help us in this very way. He is not ashamed to call us brothers and identify with us; will we be ashamed to identify with him, the author of our salvation? On the way from suffering to glory, he destroyed the devil and death and made atonement for our sin! The man Christ Jesus is already seated in glory as the goal of our salvation! Go on to join him!

### **CONSIDER**

Consider God's grace to us in this: the divine Son took on human hands so that he could grab us and bring us to glory with him!
